EXPLORER & THE BEAR - PM INTERS

ALYSSA: So close I can almost hear him calling out my name
So close pretty soon my life won't ever be the same
Nobody guessed that an explorer and a bear could be the perfect pair

EMMANUELLA: So close I can almost see him open up the door This hat tells him I'm the one that he's been waiting for
AOIFE: And he'll share all his stories until his throat is hoarse
So, I'll make him a sandwich - Marmalade, of course

ADAM: He'll show me things I've never seen Where I've never been
There's no greater team out there
ADAM & MAYA: And when the two of us combine All the stars will shine

You won't ever find a pair that compares To The Explorer and The Bear

ISABELLA: So close I can't wait to tell Aunt Lucy he's been found Though I'll find it hard to say goodbye to all the Browns

JASMINE: They have shown me what it's like to have a home
but now it's time for me to

ALL: find one of my own

ALL: You'll show me things I've never seen Where I've never been
There's no greater team out there
And when the two of us combine

All the stars will shine
You won't ever find a pair that compares To The Explorer and The Bear

OLIVIA: I don't know where he's hiding, but I know that I'll find him And then we'll be just like a family
ALYSSA: He'll say, "Let's stay together
ADAM: All day, always, whatever the weather

ALL: This way forever and ever"
ISABELLA: That's when I'll belong somewhere

ALL: He'll show me things I've never seen Where I've never been
There's no greater team out there
And when the two of us combine

All the stars will shine
You won't ever find a pair
There will be laughter in the air
You'll be glad I'm there
Nothing can compare to The Explorer and The Bear!
