

SONG THAT GOES LIKE THIS - NATHAN AND LILAH

NATHAN: Once in every show there comes a song like this

It starts off soft and low and ends up with a kiss
Oh, where is the song that goes like this?
Where is it? Where? Where?

LILAH: A sentimental song That casts a magic spell

They all will hum along we'll overact like hell
For this is the song that goes like this

NATHAN: Yes it is!

LILAH: Yes it is!

NATHAN: Yes it is!

LILAH: Yes it is!

NATHAN: Now we can go straight Into the middle eight A bridge that is too far for me

LILAH: I'll sing it in your face while we both embrace

BOTH: And then we change the key

NATHAN: Now we're into E

Ahem, that's awfully high for me

LILAH: But everyone can see we should have stayed in D

BOTH: For this is our song that goes like this

NATHAN: I'm feeling very proud

LILAH: You're singing far too loud

NATHAN: That's the way that this song goes

LILAH: You're standing on my toes

BOTH: Singing our song that goes like this!

LILAH: I can't believe there's more

NATHAN: It's far too long, I'm sure

LILAH: That's the trouble with this song It goes on and on and on

BOTH: For this is our song that is too long! (spoken) Jesus Christ, Goddamnit!

LILAH:

We'll be singing this til dawn

NATHAN: You'll wish that you weren't born

LILAH: Let's stop this damn refrain

BOTH: Before we go insane
The song always ends like this
