Live in Living Colour

(OPENING NUMBER – UPPER SCHOOL ONLY)

SHAPOL:

Live in living colour
Let me take you for a ride
Yes, I'm live in living colour
So sit back and let me be your tv guide
I've got a story I'd like to tell
But I'm gonna need help to tell it well
I've got a story about fame and money
And it's got more curves than a playboy bunny

SOPHIA G:

I wanna feel, not just survive
I wanna tell my story,
Live in living colour **(live in living colour)**
Something special's up tonight
Yes I'm (**live in living colour)**
Life ain't lived in black and white

SAOIRSE:

I've got a tale of a great romancer
And it's got more moves than a go-go dancer
I've got a story that's fast and slick
And it's got more twist than a peppermint stick

ASH:

Don't have the time for the nine to five
I've gotta tell my story,
Live and in living colour **(live in living colour)**
And it's brought to you by me
Yes I'm **(live in living colour!)**
This won't fit in your tv

NELL:

What's your name?
(Shoo Be Doo Woo Bop Bop) x2
Just window dressin'
Everyone knows that it's the clothes that make the man
(Clothes that make the man) Play the game,
(Shoo Be Doo Woo Bop Bop) x2
just keep 'em guessin'
Mix and match me, try to catch me If you can!
(OHH!)

RAPHAEL:

I've got a story strange but true
(ensemble echo)
So come fly with me for a bird's-eye view (**ensemble echo)**
I've got the world at my command **(ensemble echo)**
And I'll be your one-man disney land **(ensemble echo)**

SAM:

Don't wanna wait for the cops arrive
I wanna tell my story,
Live and in living colour **(live in living colour)**
Tune me in and turn me on
Yes I'm **(live in living colour)**
Blink your eyes and I'll be gone
Yes I'm **(live in living colour)**
Tune me in and turn me on
Yes I'm **(live in living colour)**
Blink your eyes
Blink your eyes
And I'll (**be gone)**!
